### DESCRIPTION OF MAJOR SERVICES

Arrowhead Regional Medical Center (ARMC) established this fund in 2005-06 to facilitate the receipt of grant funds from the Archstone Foundation. The Archstone Foundation is a private grant-making organization, whose mission is to contribute towards the preparation of society in meeting the needs of an aging population. The grant was issued to provide ARMC with the resources necessary to incorporate a medical consultation element into existing county efforts in the area of elder abuse and neglect. The funds are required to be deposited into interest-bearing accounts, with all proceeds to be spent on prevention and detection of elder abuse and neglect.

ARMC anticipates receiving a total of \$81,913, plus interest, for the two-year program, and is projecting receipts of \$10,802 in 2007-08. All funds received are expected to be distributed by the end of 2007-08.

There is no staffing associated with this budget unit.
